

Starting the 2017-2018 school year in September, La Academia Antonia Alonso will offer before and after school care to our families. We will be coordinating these services with the Latin American Community Center to meet the needs of families requiring these services. ***Please be advised that the option you choose will be your choice for the entire school year.***

Parents may choose among the following options.

- Families currently enrolled for before and after care through the Latin American Community Center may continue that service. Children may be dropped off at LACC starting 6:45 am and a bus will transport them to Academia Antonia Alonso. After school, the children will be transported back to the LACC where they will participate in the after school program parents may pick them up by 6:00pm at the LACC. This option is also available to new families who want to drop off and pick up at LACC.
- Families also have the option when they enroll their child (ren) to drop off and pick up at Academia Antonia Alonso. Before care will open at 7:00 and end at the start of the school day. After care will begin at the end of the school day and end at 6:00. All children will need to be picked up no later than 6:00 pm to avoid a late fee.
- Extended Care Option: Parents may enroll their children for extended care when school is not in session, holidays, and school closings. This program is available to families using any of the options above or families may just enroll for extended care only. If the school building is closed, then services may be provided at the LACC site.

Fees:

- Weekly fee for 4 hours or less per day: \$63.50
- Weekly fee for more than 4 hours per day: \$127.00
- Extended Care only: \$25.40 per day

* Purchase of Care (POC) is available to assist for all those families who qualify.
