Supporting Puerto Rico and Mexico

We are asking our families and friends to donate items (non-perishable, first aid supplies or personal hygiene items) to help support the recovery efforts that are beginning to take place in Puerto Rico and Mexico. Donations will be taken until Friday, October 13th.

Box Tops Contest

La Academia is collecting box tops as a fundraiser to support our school. Every class is “racing its way to the finish line”. Please, help your child by assisting them to find and collect box stops! May the best class WIN!

Message from the Head Of School:

Dear families of La Academia. Already entered into our second school month, we want to reaffirm our commitment to the dedication, education and service we provide to our students and the school community. It is a privilege to be able to provide a different and alternative education that not only focuses on providing quality bilingual education but in supporting and developing the character and culture of our students. As our mission and vision states, our north is to "inspire children to become joyful, confident, creative, bilingual learners." Together, we will achieve this goal and much more. We are counting with your support and appreciate your commitment to our school. Always UNIDOS!
